Textbook

TBA

Description

Individual work on special topics. Students work with faculty and/or industry mentors on design, research, lab development or other types of projects.

Goal

Develop design and/or research skills.

Learning Objectives

Learning objectives will be specific to the topics of the course.

Grading

Grading is based solely on the final project report, which is worth 1,000 points

A+	minimum score	950	B-	minimum score	700
A	minimum score	900	C+	minimum score	675
A-	minimum score	850	C	minimum score	650
B+	minimum score	775	C-	minimum score	600
B	minimum score	750	D	minimum score	500
