

## PROGRAM INFORMATION/FREQUENTLY ASKED QUESTIONS

Thank you for your interest in the Associated Students Child Development Center (ASCDC) of San Jose State University. Our program participates in Santa Clara County's Quality Matters, is licensed by the California Department of Social Services and operates under guidelines established by the California Department of Education Child Development Division; all these entities require supporting paperwork to be compliant with their regulations which are given to families upon accepting a space.

### Enrollment Priorities

1. SJSU students who meet eligibility requirements and are certified by our state and grant funded programs
2. All other current SJSU students
3. Staff/Faculty/Alumni

### Days of operation

We are open year-round however, we follow the SJSU academic calendar and observe all campus holidays. Once per month, our center closes at 1:00 pm for the staff to conduct team meetings.

Program Sessions for student parents only: Fall Semester, Winter Session\*, Spring Semester (Including Spring Break), Summer Session\* (\*Optional sessions to enroll in for SJSU Student families only).

The Center also closes prior to each new semester, for Educators to set up their classrooms and attend professional development.

### Registration Procedure

When space is available for new children, parents are notified via email by the Center Director; only then are families offered an opportunity to tour the Center. Once a parent accepts the space, a mandatory parent orientation is required. Parents must provide a copy of the child's updated immunization record prior to the child's first day of school. A Physician's Report performed & signed by a health professional is also required by the first day of school; a child cannot start until these reports are submitted. **Student Parents must submit a current class schedule, Staff/Faculty parents are verified through the university, and Alumni parents must submit proof of graduation from SJSU.**

### Meal Program

Our program participates in the Child and Adult Food Care Program. Children in attendance are served meals (breakfast, lunch, afternoon snack) at no separate charge, regardless of race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity. In the Infant and Toddler Program, infants 6 to 12 months are fed based on individualized plans. Table food is introduced when infants are developmentally ready.
