

ENGL 157 Feminist Rhetorics & AI

Dr. Vee Lawson | Fall 2025

Curious about how AI is shaping the future of communication—and how to shape it more ethically and inclusively?

Learn more!

- Investigate how AI can both reinforce and resist social inequalities
- Engage with revolutionary feminist scholars like Judy Wajcman, Donna Haraway, Safiya Noble, and Ruha Benjamin
- Develop your understanding of ethical AI use for future professional or academic contexts
- **Open to all majors and all perspectives towards AI**
