## IMPORTANT INFORMATION ABOUT COMPLETING THE STEPS TO ENROLLMENT

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented.

Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.

## STAY COMMITTED TO THE PROCESS

There are consequences if you miss deadlines. Deadlines are very important and are in place to help you through the enrollment process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign in to your MySJSU student account ([one.sjsu.edu](http://one.sjsu.edu)) every few days and thoroughly read any messages, "To Do List" items, or posted deadlines and take the requested action as soon as possible.

# Congratulations on Your Admission!

We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Spring 2024, which are outlined in this guide.

## Frequently Asked Questions

### What if I do not complete required courses or miss a deadline?

Your admission to SJSU will be revoked and your registration canceled. Failure to submit your transcript will result in your application being withdrawn, even if you have signed up for housing, attended the Spartan Experience for Transfers orientation, or registered for classes.

### What if I am taking courses required for admission during the Fall 2023 term?

You may use coursework from the Fall 2023 term to complete admission requirements. You must submit final, official transcripts showing all work completed through Fall 2023 by Monday, January 15 so that we can verify you have met admission and impaction requirements for the Spring 2024 term.

### Can I defer admission to another term?

No, your admission is good for one term only. If you wish to be considered for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

### Can I change my major?

Because SJSU is an impacted campus, change of major cannot take place prior to the start of the term and is never guaranteed even after admission to SJSU.

### How do I request academic, housing, and/or orientation accommodations due to my disability?

Students requesting academic and/or housing accommodations due to disability-related limitations are encouraged to register with the Accessible Education Center as soon as possible. Register online at [sjsu.edu/aec](http://sjsu.edu/aec)

## Purchase Health Insurance

SJSU requires all students to have medical insurance, and all international students are required to purchase the SJSU health insurance coverage prior to registering for classes. You can register for the mandatory SJSU health insurance online. This is required even if you already have insurance coverage in your home country, from family, or from other sources.

Learn how to enroll at [sjsu.edu/iss/resources/health-insurance](https://sjsu.edu/iss/resources/health-insurance)

You can buy health insurance for a semester at a time. If you have questions about purchasing your insurance, contact International Student and Scholar Services at [international-office@sjsu.edu](mailto:international-office@sjsu.edu) or 408-924-5920.

## Register for Classes

You will register for classes in your MySJSU student account once you have an enrollment appointment.

### Registration Appointments

You will register for classes during orientation if you have submitted all official transcripts by the date posted on your MySJSU "To Do List." Be sure to send official transcripts by the deadline posted. Send official transcripts to verify your eligibility to enroll as early as possible to minimize delays in the assignment of your registration appointment.

### Spartan Experience for Transfers Orientation (Mandatory)

To maintain your eligibility to enroll, you must attend your scheduled Spartan Experience for Transfers orientation (mandatory).

### Registering for Courses

Sign in to [one.sjsu.edu](https://one.sjsu.edu) and search for "MyScheduler." MyScheduler will allow you to pre-plan your course schedule and send that schedule to MySJSU to complete enrollment once you are eligible.

### Registration Holds

If you have a registration hold, log in to MySJSU, go to self-service, look for the "hold" box on the right column, click "details" to find out how to resolve your hold and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. You do not need to come in person or call us to register.

### Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until the first day of instruction. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

**SCHEDULE OF CLASSES**

search for "MyScheduler"**COLLEGE STUDENT  
SUCCESS CENTERS**sjsu.edu/advising  
408-924-2129**What will I need to register for classes?**

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- The SJSU Catalog, which contains descriptions of classes and major and minor requirements, is available at [catalog.sjsu.edu](http://catalog.sjsu.edu)

**Once I've registered, can I change my schedule?**

If work or family obligations require you to change your schedule, you may make changes to your class schedule before the last day to drop classes.

**Important note: Before dropping/swapping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections via MySJSU. Or, place yourself on the class waitlist. It is not guaranteed that you will be able to enroll into waitlisted courses.**

**Can I still get academic advising in the Student Success Center if my transcripts have not been fully evaluated?**

**Yes.** The advisors will advise you on general university expectations and graduation requirements, including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner.

**What if I don't register for the Spring 2024 semester?**

### Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, the CSU reserves the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

### Third Party Sponsors

If a Third Party Sponsor, such as a foreign government agency or business and/or educational institution, agrees to sponsor you by paying your tuition and fees, please get an authorization letter from the sponsor specifying how much of your tuition they will cover and for which semesters. Submit the authorization to SJSU's Bursar's Office, Attention: Third Party Sponsor or email the authorization to: [student-sponsors-waivers@sjsu.edu](mailto:student-sponsors-waivers@sjsu.edu) and retain a copy of the letter for your records.

The Bursar's Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the sponsored student is registered and has submitted a current letter of authorization. ## Financial Aid

Please note that international students are not eligible for federal or state financial aid.

## Scholarships

Scholarships are available to international students through SJSU's Financial Aid and Scholarship Office. International students are only eligible for scholarships that are merit-based. Need-based scholarships are part of financial aid, which is unavailable to international students.

To get more information on scholarships, visit [SJSU Financial Aid and Scholarship Office](#)

## Installment Payment Plans

There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate for each.

Please note: Students are not able to sign up for the payment plans until charges actually appear on their account for either tuition and fees or housing charges.

## International Wire Transfers

International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or Flywire for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule.

Learn more at [sjsu.edu/bursar/payment-refunds/methods-payment/international.php](https://sjsu.edu/bursar/payment-refunds/methods-payment/international.php)

## Field Trip Fees

A few courses have additional field trip fees ranging from \$11 to \$52.

## Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192. Parking permit information is available at [sjsu.edu/parking](https://sjsu.edu/parking)

## Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, log in to MySJSU, scroll to Finances and select Enroll in Direct Deposit. To learn more visit [sjsu.edu/bursar](https://sjsu.edu/bursar)

## Bookstore Charges

Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to \$900 per semester. For more details visit [sjsu.edu/bursar/our-services/spartan-bookstore-voucher.php](https://sjsu.edu/bursar/our-services/spartan-bookstore-voucher.php)

## Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

[sjsu.edu/iss/new-students/  
pre-arrival/visa-interview](https://sjsu.edu/iss/new-students/pre-arrival/visa-interview)

## Complete Immigration Document Process

### F-1 Visas

#### Coming from a U.S. Institution

To complete this process, you must show your admission letter and the SJSU “SEVIS Transfer In Form” to your current school’s international office. You can find the form under “SEVIS Transfer In Form” on [sjsu.edu/iss/current-students/f1-status/transfer](https://sjsu.edu/iss/current-students/f1-status/transfer)

This form is not mandatory but optional; it is used to let your current institution know that you wish to transfer to SJSU. Once your current institution sends your electronic I-20 document through SEVIS, then you will receive a Transfer-Pending Form I-20 from SJSU.

#### Coming from Outside the U.S.

You will receive a U.S. Immigration Form I-20 directly from San José State in the mail with your letter of admission. To start the process to obtain an F-1 student visa, first complete the I-901 form online through SEVIS at [ice.gov/sevis/i901](https://ice.gov/sevis/i901) then pay the SEVIS fee and print out the receipt. To obtain your F-1 visa, make an appointment for a visa interview and go to the nearest U.S. Consulate with the following:

- Your current passport
- SJSU admission letter
- Your I-20 (Certificate of Eligibility) form
- Proof (receipt) of SEVIS payment
- Proof of financial support
- Other supporting documents, as indicated on the website of the U.S. Embassy or Consulate you will be visiting

For more information on preparing for a visa interview, visit [sjsu.edu/isa/new/pre-arrival/visa-interview](https://sjsu.edu/isa/new/pre-arrival/visa-interview)

#### Customs and Immigration at the Airport

Please expect this process to be a lengthy experience and prepare in advance. You must keep the following documents in your carry-on luggage so you are able to present them to a Customs and Border Patrol officer:

- Passport (must be valid for at least six months after the date of entry)
- F-1 visa stamp, valid at the time of entry
- Form I-20, must be valid
- Proof of financial support and resources reflected on Form I-20
- Tuition and/or Housing receipt(s), if you have made payments prior to your arrival
- SEVIS fee receipt

Canadian citizens are not required to apply for a visa to enter the U.S. as an F-1, but must still pay the SEVIS Fee and present their Form I-20 at the U.S. port of entry.

For more information on preparing for Customs and Immigration at the airport, visit [sjsu.edu/iss/new-students/pre-arrival/visa-interview](https://sjsu.edu/iss/new-students/pre-arrival/visa-interview)

Upon arrival at SJSU, you must complete your Immigration Document Check-in at the Office of International Student and Scholar Services (ISSS).

## Attend Global Spartan Welcome (GSW)

F-1 students are required to attend Global Spartan Welcome (GSW), a program specifically for international students. Because you are classified as a new F-1 international student at SJSU, you are required to attend GSW, a mandatory session to educate you on your F-1 status and how to adjust to life at SJSU and in a new culture. Please check your email regularly for communication from ISSS regarding the required documents and information to complete your immigration check-in and maintain your F-1 status. The immigration document check-in process is a federal requirement.

GSW for transfer students will take place **via zoom on Thursday, January 18, 10 a.m. – 11:30 a.m.** More details can be found on the [Global Spartan Welcome](#) page on the ISSS website and will be sent to you through your MySJSU account. ## Important Resources

### Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog ([catalog.sjsu.edu](http://catalog.sjsu.edu)) to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

### Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at [sjsu.edu/studentconduct/policies](http://sjsu.edu/studentconduct/policies)

### Students with Disabilities

The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website ([sjsu.edu/aec](http://sjsu.edu/aec)) for more information.
