Please Note: (a) see detailed information about minor requirements on back of this page. (b) all minors at SJSU must have at least 12 units of coursework unique from a student's substantive major coursework. (c) some majors require students to file a copy of their minor form with their home department. It is your responsibility to turn in your minor form to your major's department. (d) any changes to this minor form will require a [course substitution form](#), approved and signed by the minor advisor and MUST be sealed before submitting to the Student Services Center. Please see your major and minor advisors regularly to make sure that your program(s) are completed in the most efficient manner possible.

The Minor in Forensic Studies is a 15-unit minor open to all students at San Jose State University. As is the case for all minors at SJSU, students must ensure that at least 12 units of their minor coursework is *unique* from their substantive major coursework. New students to the minor should begin by completing a [Change of Major/Minor form](#) found on the registrar's [forms webpage](#). For more information on the Minor in Forensic Studies, please see the [FS Minor webpage](#):
