Want to get a head start in retail?
This program is designed for you
to learn the operational side
of retail from the inside out.

THE TJX COMPANIES, INC.

THIS IS THE BUSINESS WHERE YOUR ADVENTURE BEGINS.

Maxx, Marshalls, HomeGoods, HomeSense, and Sierra Trading Post in the United States; Winners, HomeSense, and Marshalls in Canada; T.K. Maxx and HomeSense in Europe; and T.K. Maxx in Australia. With over \$35 billion in revenues in 2017, more than 4,000 stores, and over 249,000 global Associates, we're proud of everything we've achieved as a business. But we're even more excited about the future, and what it could mean for your career.

WHAT IS THE LOSS PREVENTION PROGRAM?

Loss Prevention makes an impact on every part of our business, and – by protecting our assets – can make a huge difference to the bottom line. It's partly about security, but also involves highly strategic thinking focused on maximizing our profits. That makes it an ideal team in which to learn about our business and retail operations as a whole.

During this 12-week paid Internship, you'll join a Loss Prevention Team in one of our stores. In addition to on-the-job experience, you'll benefit from classroom training, and mentorship. We'll introduce you to our investigative methods and store shrink reduction programs. You'll also apply your analytical skills to participate in surveillance operations, consult with business leaders, and make strategic decisions.
