Introduction to the Department of Kinesiology

I. Main KIN Department Websites

Bookmark and visit the general Department of Kinesiology website to get familiar with the department as a whole: <https://www.sjsu.edu/kinesiology/index.php>

Bookmark and visit the Department of Kinesiology Current Students page for more specific information tailored for the current and active KIN student:

<https://www.sjsu.edu/kinesiology/Students/CurrentStudents.php>

II. KIN Department Mission Statement

In an atmosphere of social justice, equity, and respect for diversity, the mission of the Department of Kinesiology is to create and disseminate knowledge; engage in community service; prepare and graduate exemplary kinesiology professionals; as well as meet individual and societal needs for physical activity, sport, movement, and wellness (est. 11/2017).

III. KIN Department DEI Statement

The Department of Kinesiology is committed to developing and implementing equitable curricula and teaching practices that reflect the diversity of our student body and departmental core values. The faculty strives to foster an inclusive learning environment where all students feel valued, supported, welcomed, and empowered to succeed in ALL classes. All students, inclusive of all, but not limited to ethnicities, socioeconomic and cultural backgrounds, gender identities and expressions, castes, religions, ages, sexual orientations, abilities, bodies, political affiliations, statuses, and nationalities, are encouraged to share their rich array of perspectives and experiences. KIN department faculty, staff, and students all have something of value to contribute. Everyone is expected to respect differences and demonstrate diligence in understanding how others' perspectives, behaviors, and views may be different from theirs (est. 4/29/2024).

IV. KIN Department Vision

We will be a preeminent, globally-connected kinesiology department recognized for excellence and innovation in teaching and learning, research, scholarship, creative activity, and community engagement (est. 10/2017).

V. KIN Department Student Clubs

Students are encouraged to become actively involved in their profession through classroom and laboratory experiences, internships, and extracurricular activities. For more information about KIN department student clubs, visit the following website:

<https://www.sjsu.edu/kinesiology/Programs/student-clubs.php>

VI. Study Abroad and Away Opportunities

International opportunities, including study abroad programs and faculty led programs (FLP), are available through SJSU's study abroad and away program:

VIII. American Kinesiology Association

The Department of Kinesiology is a charter member of the American Kinesiology Association (AKA): <http://www.americankinesiology.org/>

Department of Kinesiology
Undergraduate Program Learning Outcomes (PLO)

Key principles: critical understanding and application of research and scholarship in the field of kinesiology; communication skills; movement competence; sustainability; diversity and social justice

Upon completion of a Bachelor of Science degree program in the Department of Kinesiology, students will be able to:

PLO 1: Explain, identify, and/or demonstrate the theoretical and/or scientific principles that can be used to address issues or problems in the sub-disciplines in kinesiology.

PLO 2: Effectively communicate in writing (clear, concise and coherent) on topics in kinesiology.

PLO 3: Effectively communicate through an oral presentation (clear, concise and coherent) on topics in kinesiology.

PLO 4: Utilize their experiences across a variety of health related and skill-based activities to inform their scholarship and practice in the sub disciplines in kinesiology.

PLO 5: Identify and analyze social justice and equity issues related to kinesiology for diverse populations.

General Kinesiology Student Responsibilities and Expectations

I. San José State University General Catalog

While the accuracy of this handbook is carefully regulated, students should recognize that the official record of their curriculum is in the [San José State University General Catalog](#)

The department provides individual advisors for students majoring and minoring in kinesiology, as well as documents such as this handbook, **students are personally responsible** for maintaining accurate and current information concerning the department, their curricular programs, and degree requirements.

II. Importance of Checking MyProgress

MyProgress will list all of your graduation and curriculum requirements and is the tool the Registrar's office uses to audit and award degrees. It is imperative to check MyProgress often to ensure you are on the right track toward graduation: For a MyProgress tutorial, click the following link: <https://www.sjsu.edu/ue/student-resources/myprogress.php>

III. Importance of Using Your SJSU Google Account and SJSU Email

Use your SJSU email address for all forms and communications during your college career. Your SJSU email address will also grant you access to the MLK Jr. Library, DocuSign, Zoom, and other useful resources that will aid in your academic career at SJSU.

IV. Importance of Utilizing 4-Year Course Planning Roadmaps

Roadmaps are designed to aid and assist in course planning and offer semester-by-semester suggestions. In conjunction with (a) being familiar with the KIN UG Student Advising Handbook and (b) consistently checking MyProgress. The [4-year roadmap archive](#) is organized by college, major, and specializations (scroll down to Kinesiology).

V. Student Conduct and Ethical Development Policies

Students should be fully aware of the University's policy on academic integrity and [Student Conduct and Ethical Development Policies](#). Questions concerning plagiarism, academic dishonesty, and/or the level of collaboration permitted on individual and group projects should be directed to the course instructor.

Best-Practices for Students Seeking Advising Assistance

- a. First and foremost, this handbook is your go-to for answers regarding KIN department graduation requirements and curriculum questions. Thoroughly investigate the handbook and supplemental links prior to sending a message to your advisor.
- b. The [College of Health and Human Sciences Student Success Center \(CHHS SSC\)](#) is your go-to for general education (GE) and general transfer questions.
- c. Once you become an upper-division KIN student (60+ units completed) and are assigned a KIN major advisor, your advisor assignment will be viewable on your **Spartan Connect portal**, **not on your MySJSU page**. To log into the Spartan Connect portal, visit <https://one.sjsu.edu/>
- d. Most faculty, including your main KIN advisor, **may not be available or responsive to email during the Summer and Winter breaks**, as they are not under contract to work during this time. If you receive an “out of office” email response, reach out to Victoria Duval for a prompt response.
- e. Keep in mind that faculty are busy at the beginning and end of each semester, so be sure to plan ahead and **avoid waiting until the last minute** to investigate your enrollment status, graduation status, and other general advising questions.
- f. **Use your SJSU email address and offer your SJSU ID#** when communicating with advisors via email for efficiency.
- g. When emailing your advisor (or an instructor or professor), offer as much information as you can to guide the conversation and to establish context clearly. **Ensure you are asking direct questions to receive direct answers.**
- h. Avoid sending **multiple advisors the same question(s) simultaneously**. If you are experiencing a significant delay in receiving a response from your advisor, a follow-up email is suggested.

The Four Components of Completing a B.S. Degree in Kinesiology

To earn a **120 unit [B.S. degree in Kinesiology](#)**, four components must be completed:

- 1: [University Graduation Requirements](#) (41 units)
- 2: [Kinesiology Major Preparation Courses](#) (18 units)
- 3: [Kinesiology Core Curriculum Courses](#) (23 units)
- 4: [Kinesiology Specialization Sub-Core Curriculum Courses](#) (38 units)

NOTE: The requirements outlined above apply to the **120 unit [Kinesiology, Preparation for Teaching, B.S.](#)** degree which is a distinct major (not a specialization).

1. University Graduation Requirements (41 units)

The [General Education Requirements at San José State University](#) consist of 24 units of Core GE (the department recommends PSYC 1 to satisfy GE Area D), 9 units of upper division GE, and 2 units of physical education for a total of 41 units.

2. Kinesiology Major Preparation Courses (18 units)

[BIOL 65 \(4 units\)](#) - Human Anatomy OR [BIOL 65o \(4 units\)](#) - Human Anatomy Online.

Satisfies GE Area B2: Life Science. **NOTE:** The Kinesiology department recommends completing BIOL 65 due to the presence of an in-person lab element.

[BIOL 66 \(5 units\)](#) - Human Physiology. Satisfies GE Area B2: Life Science.

[CHEM 30A \(3 units\)](#) - Introduction to Chemistry OR a higher CHEM course (such as CHEM 1A). Satisfies GE Area B1: Physical Science.

[KIN 100w \(3 units\)](#) - Writing Workshop. Complete the [DSP](#) prior to enrolling.

[GE Area B4 Math Course \(3 units\)](#) - The KIN department **recommends completing [STAT 95 \(Elementary Statistics\)](#)** to satisfy the GE Area B4 math requirement.

NOTE: KIN 100w must be passed with a C or better. All other courses must be passed with a C- or better.

3. Kinesiology Core Curriculum Courses (23 units)

The Kinesiology (KIN) Core curriculum consists of coursework that all KIN majors—**regardless of specialization or major** (e.g., Preparation For Teaching)—must complete. All KIN Core curriculum classes **must be passed with a C- or better**.

Course Name and Number	Units	Prerequisites
KIN 70 - Introduction to Kinesiology	3	N/A
KIN 155 - Exercise Physiology	3	KIN 70, Math Area B4, CHEM 30A, & BIOL 66
KIN 158 - Biomechanics	3	KIN 70, Math Area B4, & BIOL 65 or BIOL 65o
KIN 160 - History of Sport & Physical Education or KIN 161 - Philosophical Perspectives of Sport or KIN 164 - Socio Cultural Perspectives of Sport	3 3 3	KIN 70 KIN 70 KIN 70
KIN 165 - Motor Development or KIN 166 - Motor Learning	3 3	KIN 70 KIN 70 & BIOL 66
Note: All specializations other than Sport Management and Culture must complete both courses: One will count toward the KIN Core and the other will count toward the specialization subcore.		
KIN 175 - Measurement and Evaluation	3	KIN 70 & Math Area B4
KIN 185 - Senior Seminar	1	KIN 70, senior standing, & completion of or concurrent enrollment in KIN 198
Four (4) KIN activity courses from a minimum of four different movement areas (check next page). NOTE: The 4 unit KIN activity requirement is in addition to the 2 unit SJSU PE requirement (6 units total)	4	

Kinesiology Activity Movement Areas

Tae Kwon Do	Jogging	Modern	Handball	Volleyball	
	Pilates	Social	Ice Skating	Water Polo	
	Step Training	Tap	Racquetball	Handball	
	Tai Chi		Swimming	Athletics: Team	
	Weight Training		Table Tennis		
	Yoga		Tennis		
	Adapted Physical Activities		Water Safety Instructor		
			Athletics: Individual		

4. Kinesiology Majors and Specialization Sub-Core Curriculum Courses (38 units)

For majors pursuing the B.S. Degree in Kinesiology, **select one of the following specializations** (the corresponding **4-year roadmap** can be viewed by clicking the blue text):

[Exercise and Fitness Specialist](#)

[Inclusive Physical Activities in Communities \(IPAC\)](#)

[Rehabilitation Science](#)

[Sport Management and Culture](#)

[Individualized Studies](#): Requires a formal curriculum proposal that must be signed and approved by KIN UG Advising Manager, Daniel Bohigian, and the KIN Undergraduate Coordinator, Dr. Erin Siebert. Email daniel.bohigian@sjsu.edu for curriculum proposal form.

[Transfer Curriculum Studies](#): Is an option only for students who have a completed and certified AAT degree in Kinesiology (Associate Degrees for Transfer) and **requires a formal curriculum proposal** that must be signed and approved by KIN UG Advising Manager, Daniel Bohigian, and the KIN Undergraduate Coordinator, Dr. Erin Siebert. Email daniel.bohigian@sjsu.edu for curriculum proposal form.

Remember: The B.S. Degree in [Kinesiology, Preparation For Teaching](#) is a distinct major with a concentration, not a specialization under the B.S. Degree in Kinesiology.

Students pursuing the Preparation for Teaching major have the option of pursuing the [Spartan Accelerated Graduate Education \(SAGE\)](#) Program. For additional information, investigate the following link: <https://catalog.sjsu.edu/content.php?catoid=10&navoid=4183>

[Kinesiology, Preparation for Teaching, BS + Single Subject Credential in Physical Education + Teaching MAT \(2024-2025\) Roadmap](#)

Specialization Career Suggestions, Options, and Reminders

Notes Regarding Pre-Approved Guided Elective Course Options and Course Selections:

1. When selecting courses to complete the guided elective portion, keep in mind courses that will be beneficial for future graduate school applications, certifications, and all other plans you may have once you earn your B.S. degree in Kinesiology.
2. The KIN department recommends and encourages meeting with a major advisor to discuss any and all post-SJSU plans to ensure you are enrolling in courses that (a) meet your KIN degree requirements and (b) put you in a position to succeed in the future.

The **Exercise and Fitness Specialist** curriculum is curated to aide in preparing you for future careers including, but not limited to:

Athletic Training
Chiropractic
Clinical Exercise Programs
Personal Training
Physician's Assistant
Pre-Med
Strength and Conditioning Coach

SJSU Catalog Language:

“This area of specialization includes coursework to develop knowledge and skills to work in corporate fitness, as a personal trainer, in clinical exercise programs, and a variety of other fitness and exercise related professions.”

The **Inclusive Physical Activities in Communities (IPAC)** specialization curriculum is curated to aide in preparing you for future careers including, but not limited to:

Occupational Therapy
Adapted Physical Activity/Education

Physical Activity for Specialized Populations

Physical Activity for Individuals Diagnosed with a Disability

Physical Activity for Older Adults and Young Children

SJSU Catalog Language:

“The Inclusive Physical Activity in Communities (IPAC) area of specialization prepares students to work and teach in the community, with an emphasis on working with special populations, particularly individuals with disabilities and older adults. This specialization can also serve as undergraduate-level preparation for a Master’s in Occupational Therapy (please see note after the listed required coursework). This curriculum provides students with the specialized skills and knowledge to provide effective service delivery to individuals with disabilities, older adults, and other diverse populations in a physical activity setting. Students in this area of specialization will develop competencies in planning, assessing, coordinating, implementing, evaluating and advocating appropriate inclusive physical activity across the lifespan. Coursework in the IPAC specialization prepares students for careers in a variety of fields including: infant/toddler programs, physical activity for older adults in recreation or residential facilities, spinal cord injury rehabilitation centers, aquatic facilities, residential/seasonal camps, health/fitness clubs, disability sport programs, and after school/community transition sites.”

The **Rehabilitation Science** specialization curriculum is curated to aide in preparing you for future careers including, but not limited to:

Physical Therapy

Chiropractic

Physician’s Assistant

Pre-med

Other Allied Health and/or Rehabilitation Careers

SJSU Catalog Language:

“This area of specialization is designed for students who are interested in allied health professions, such as physical therapy, chiropractic, and physician’s assistant. Coursework is designed to develop knowledge and skills in order to pursue a future in physical therapy, chiropractic, medical school, or other health or rehabilitation careers.”

The **Sport Management and Culture** specialization curriculum is curated to aide in preparing you for future careers including, but not limited to:

- Athletic Administration/Athletic Director (high school or university)
- Coaching
- Sport Psychology, Sport Sociology, and Sport Philosophy
- Sports Marketing, Promotions, and Fan Engagement
- Ticket Operations and Ticket Sales/Event and Facility Management
- Development and Fundraising
- Sports Law and Sports Policy

SJSU Catalog Language:

“The purpose of the Sport Management and Culture (SMC) specialization is to provide an interdisciplinary understanding of sport management with a particular focus on social and cultural issues. Social justice and diversity issues will be highlighted from a critical cultural studies perspective. Additionally, students interested in sports studies will also gain a background in sport management, strengthening their professional preparation.”

Preparation for Teaching (PETE) Major:

This distinct major is designed for students interested in becoming physical education (PE) and/or adapted physical education (APE) teachers in kindergarten through 12th grade (K-12) schools. The purpose of the Kinesiology, Preparation for Teaching (KIN-Prep for Teaching) program is to prepare students to be well-rounded physical activity professionals, to teach, coach, motivate, and shape the lives of K-12 students. Students in the KIN-Prep for Teaching program learn and practice a wide range of skills, including how to integrate technology, assess learning, design lessons, and modify instruction to meet the unique needs of their students, including students with disabilities. Completion of this major also fulfills most of the coursework required for the Adapted Physical Education Added Authorization (APEAA).

Exercise and Fitness Specialist Subcore Curriculum (26 units)

All subcore courses must be **passed with a C- or better.**

Course Name and Number	Units	Prerequisites
KIN 147 - Biomechanical Assessment of Movement	3	KIN 158
KIN 151 - Sport and Fitness Marketing or KIN 152 - Theory of Sport and Fitness Management or KIN 153 - Sport Facility and Event Management	3 3 3	KIN 70 KIN 70 KIN 70, KIN 152

***Suggestions For Students Planning on Applying to Physical Therapy Graduate Programs

If interested in applying to physical therapy (PT) graduate programs after completing your degree at SJSU, the department strongly recommends **(a)** meeting with your main KIN advisor as soon as possible to explore potential options and **(b)** thoroughly investigating admission and prerequisite requirements from PT schools you are interested in applying to. GPA requirements vary by institution, but to be a competitive candidate, maintain **a 3.0 minimum GPA** (including PT prerequisite coursework) .

It is common for PT programs to require Clinical Exercise Physiology ([KIN 187](#) at SJSU), General Psychology ([PSYC 1](#) at SJSU), and Adult Psychopathology ([PSYC 110](#) at SJSU) as prerequisite courses. KIN 187 should be completed as part of the Rehabilitation Science **sub-core curriculum** and PSYC 1 and PSYC 110 should be completed to **satisfy the 6 unit guided elective requirement**. Look to complete a Statistics course ([STAT 95](#) at SJSU), too.

For the [KIN 198](#) (internship) requirement, complete clinical observation hours under a licensed PT. Clinical observation hours are a common prerequisite for PT programs.

When looking into a specific school or institution of interest, take note of the additional prerequisites listed as admission requirements. In addition to the Rehabilitation Science core and sub-core curriculum. Another common prerequisite for PT schools includes completing additional BIOL courses with lab elements (check institutional prerequisite requirements).

Common BIOL courses with lab elements that can be taken to supplement your transcripts in preparation for PT applications are [BIOL 30](#) - Principles of Biology I (4 units) and [BIOL 31](#) - Principles of Biology II (4 units) as offered at SJSU. Both courses are not required in order to complete your degree at SJSU, rather, are supplemental courses that can also be completed at a junior college/community college.

[BIOL 129](#) - Neuroscience (3 units) is another course that may be completed as a supplement to your transcripts, but check institutional suggestions and requirements prior to enrolling.

Sport Management and Culture Specialization Subcore Curriculum (22 to 24 units)***

All subcore courses must be **passed with a C- or better**.

Course Name and Number	Units	Prerequisites
KIN 151 - Sport and Fitness Marketing	3	KIN 70
KIN 152 - Theory of Sport and Fitness Management	3	KIN 70
KIN 153 - Sport Facility and Event Management	3	KIN 70 & KIN 152
KIN 160 - History of Sport & Physical Education and KIN 161 - Philosophical Perspectives of Sport and KIN 164 - Socio Cultural Perspectives of Sport	3 3 3	KIN 70 KIN 70 KIN 70
Select the two courses not completed for the KIN Core.		
KIN 167 - Sport Psychology or KIN 168 - Psychology of Coaching	3 3	KIN 70 & PSYC 1 KIN 70
KIN 198 - Internship in Kinesiology #1	3	Upper division status, minimum overall GPA 2.0, KIN 70, & Kinesiology Internship Manager approval
*** KIN 198 - Internship in Kinesiology #2 or *** KIN 180 - Independent Study	1 to 3 1 to 3	Upper division status, KIN 70, & instructor consent; minimum overall GPA 2.0

*** **a.** Sport Management and Culture specialists have the option of (a) completing 16 units worth guided electives or (b) completing a 14, 15, or 16 unit minor. The 22-24 unit specialization subcore range depends on completing pre-approved guided electives or a minor.

*** **b.** Speak with your main KIN advisor about pursuing a minor in Business, Sociology, Psychology, Journalism, or another relevant area. Do not apply for a minor outside of the KIN department without speaking with your main KIN advisor.

*** **c.** Clarify KIN 198 Internship #2 or KIN 180 unit requirement with your main KIN advisor.

Sport Management and Culture Pre-Approved Guided Electives (14 to 16 units)

All guided elective courses must be **passed with a C- or better**.

Other guided elective courses **must be formally approved** by a KIN major advisor.

Individualized Studies Specialization

The Individualized Studies specialization requires approval from both the KIN Undergraduate Advising Manager, Daniel Bohigian, and KIN Undergraduate coordinator, Dr. Erin Siebert. All coursework beyond the core must be selected in consultation with the student's academic advisor and is expected to form a coherent program of study that meets the student's personal and professional goals.

Criteria for Individualized Studies Specialization:

1. The curriculum should evidence breadth and depth of understanding in a specific area of interest within the field of Kinesiology.
2. The program should exhibit a specific area of interest within Kinesiology as a focal point.
3. The program should include 18 upper division Kinesiology coursework units (in addition to the core requirements), which includes 1-3 units of internship/fieldwork. The program should include 17-19 upper or lower division electives in kinesiology or a related field selected in consultation with a KIN department advisor.
4. The program should conform to the career objectives submitted as a part of the formal Individualized Studies Specialization proposal
5. All courses should be adequately justified as a logical inclusion in this program. A written justification for each Individualized Studies Specialization course selection will be required as part of the review process.
6. The program must be submitted at least 30 units prior to the student's anticipated graduation date.

Email daniel.bohigian@sjsu.edu for additional information and for a curriculum proposal form.

[Transfer Curriculum Studies Specialization](#)

Under Senate Bill 1440, California community colleges offer Associate Degrees for Transfer (ADT), also referred to as Associate in Arts (AA-T) or Associate of Science (AS-T) for Transfer Degrees. These are designed to align coursework at the community college with courses offered at the CSU. Students with Associate Degrees for Transfer (ADTs) are eligible to participate in the California Promise program.

The AA-T in Kinesiology guarantees 60 transferable units and the completion of all lower division Core GE. This transfer degree will meet the KIN 70, BIOL 65O, and BIOL 66 requirements at SJSU.

For transfer students with a previously-completed, certified, and posted ADT/AAT degree in Kinesiology, the Transfer Curriculum Studies option may be applicable depending on personal and/or overall career goals.

Prior to officially selecting and pursuing the Transfer Curriculum specialization, approval from the KIN Advising Manager, Daniel Bohigian, and the KIN UG Coordinator, Dr. Erin Siebert, is required a minimum of 30 units prior to the student's anticipated graduation date.

Email daniel.bohigian@sjsu.edu for additional information and for a curriculum proposal form.

Spartan Accelerated Graduate Education (SAGE) Program

Kinesiology, Preparation for Teaching, BS + Single Subject Credential in Physical Education + Teaching, MAT

The Spartan Accelerated Graduate Education (SAGE) Scholars Program prepares students to become physical education and/or adapted physical education teachers in K-12 schools.

The program allows qualified students to simultaneously complete the requirements for the Kinesiology, Preparation for Teaching, BS, Single Subject Credential - Physical Education and Teaching, MAT (with optional Spanish bilingual and Adapted Physical Education Authorizations). The BS Kinesiology, Preparation for Teaching, offered by the Department of Kinesiology, is a California Commission on Teacher Credentialing (CCTC) approved subject matter preparation program (SMPP) to attain subject matter competency (SMC). SMC is needed for entry into a physical education single subject credential program.

Students can progress from undergraduate to graduate status seamlessly, with a simplified application process and no application fee. They complete all degrees in less time as compared to completing them separately.

**For more information, contact SAGE Program Coordinator and PETE Major Dr. David
Daum - david.daum@sjsu.edu**

Applying For Graduation

a. When you have completed 85 or more units in total, the Registrar's office will make you eligible to apply for graduation through the "My Academics" tab on your MySJSU account. If you believe you are eligible but have not received clear communication from the Registrar's office, please reach out to KIN Advising Manager, Daniel Bohigian - daniel.bohigian@sjsu.edu

b. Prior to applying for graduation, even if you have been made eligible, meet with your advisor to determine if you are going to be able to complete your remaining requirements in the time frame in which you apply for graduation.

c. Applying for graduation too early will result in the need to fill out a change of graduation date form which will negatively impact your priority registration status.

d. Building on point a., keep in mind the Registrar's office makes all students with 85+ units completed eligible to apply, but the unit count does not necessarily take into consideration remaining KIN core, sub-core, and guided elective requirements.

NOTE: It is common for transfer students to apply for graduation too early. Make sure you do your due diligence in applying for graduation at the appropriate time.

e. For more university-level information regarding the graduation application process, investigate the following link: <https://www.sjsu.edu/registrar/graduation/application-central.php>

Kinesiology Minor (18 units)

University Minor Graduation Requirements

- a. To be awarded a minor, at least 12 units of coursework must be completely distinct and separate from the coursework in the major, and coursework for the minor must include a minimum of 6 upper-division units ([University Policy S16-4](#)). Minor preparation or support courses do not count toward the 12 distinct units. Of the coursework for the minor, at least 6 units must be completed in residence at SJSU.
- b. All KIN minor courses must be passed with a C- or better; minimum aggregate 2.0 GPA.
- c. Contact KIN Advising Manager Daniel Bohigian (daniel.bohigian@sjsu.edu) for a formal KIN Minor Curriculum Proposal form and for additional information.

I. Complete KIN 70 - Introduction to Kinesiology (3 units)

II. Complete one three-unit course from the following list:

[KIN 160](#) - History of Sport and Physical Education

[KIN 161](#) - Philosophical Perspectives of Sport

[KIN 164](#) - Sociocultural Perspectives of Sport

[KIN 167](#) - Sports Psychology

[KIN 168](#) - Psychology of Coaching

III. Complete one three-unit course from the following list:

[KIN 155](#) - Exercise Physiology

[KIN 158](#) - Biomechanics

[KIN 165](#) - Motor Development

[KIN 166](#) - Motor Learning

IV. Complete three one-unit (3 units total) [activity courses](#) from three different movement areas. The three additional KIN Minor courses are in addition to the two-unit SJSU university graduation requirement.

V. Complete two additional three-unit (6 units total) Kinesiology upper division electives.

Kinesiology Undergraduate Course Descriptions

Course #	Course Title and Catalog Description
<u>KIN 69</u>	<p>Stress Management: A Multidisciplinary Perspective - 3 units</p> <p>The stress process and its relation to health, disease, lifestyle, and the sociocultural environment.
