

# iClicker Account Setup Guide - Student

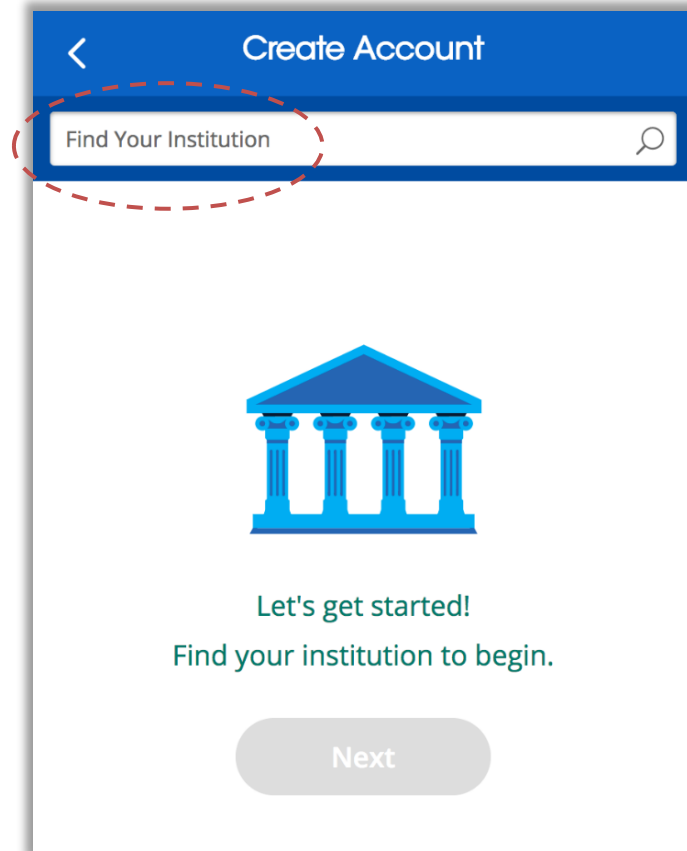

A guide to help you create and activate an iClicker account

- Go to: [www.iclicker.com](http://www.iclicker.com)
- Click on: Create an Account

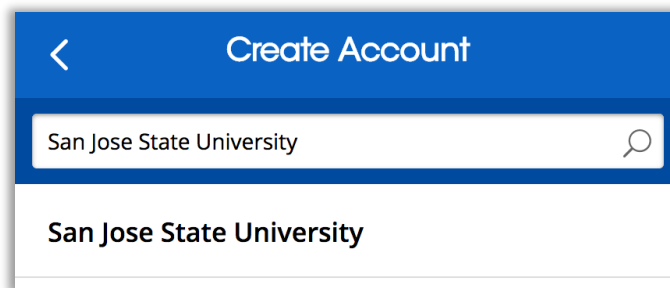

- Select: Student

- In the *Find Your Institution* field, enter “San Jose State University”

The screenshot shows a mobile application interface for creating an account. At the top, there is a blue header with a back arrow and the text 'Create Account'. Below the header is a search bar containing the text 'San Jose State University' and a magnifying glass icon. In the center of the screen is a blue icon of a classical building with four columns. Below the icon, the text reads 'I attend San Jose State University.' At the bottom, there is a blue rounded rectangular button with the text 'Next'.

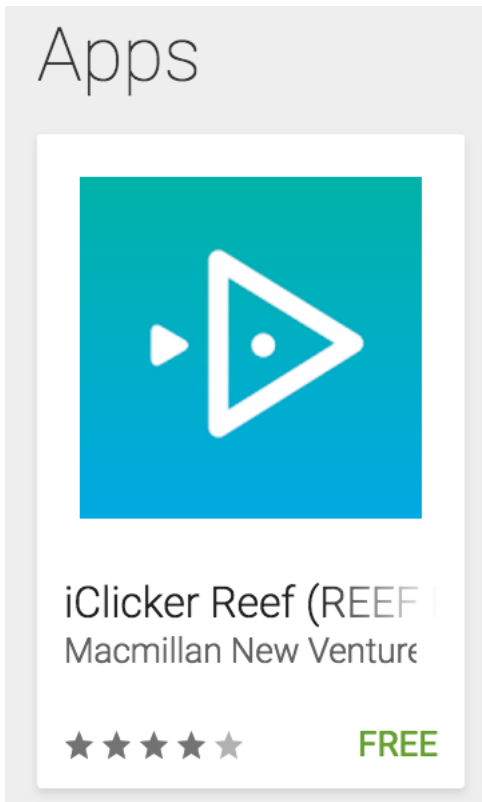

- Complete account form with name, SJSU email, Student I.D., and policy agreement.

The screenshot shows the next step in the account creation process. The blue header remains with the back arrow and 'Create Account' text. The main content area has a green heading 'Great!' followed by the text 'Now, tell us a bit about yourself.' Below this, a recommendation is given: 'We recommend using your school email address and adding your Student ID.' There are four input fields: 'First Name', 'Last Name', 'Email', and 'Student ID'. The 'Student ID' field has '(Recommended)' written to its right. At the bottom, there is a checkbox with the text 'I agree to the [Privacy Policy](#) and [Terms of Use](#)'. Below the checkbox is a grey rounded rectangular button with the text 'Next'.

This account is all you need to use iClicker polling on a laptop computer with a web browser.
