Psychology 100W

Oral Presentation Evaluation:

Section: _____

Date of Presentation: _____

Student: _____

	Low	High	Total Points (2 each)
Content	Too few or too many articles.	Comprehensive but selective.	
Quality of Slides	Typos, grammatical errors, difficult to view, etc.	No typos, correct grammar, attention to visual quality.	
Audience Interaction	Little eye contact, inaudible, does not engage class in discussion.	Eye contact, articulate, audible, engaging the class in discussion.	
Appearance	Appears uninterested in topic when presenting.	Body language--looks interested in topic, no gum chewing, etc. Appropriate dress for presentation.	
Quality of Presentation	Does not appear to have practiced, awkward transitions between main issues, repetitive material.	Obviously practiced, not repetitive, good transitions between ideas.	

Total Points:_____ **/10**
