Record Clearance Project

“Changing lives...one petition at a time.”

The Record Clearance Project can request a free RAP sheet from the District Attorney's office.

Expungement...is a gift not only to the individual, but a gift that affects the person's family and entire community.

I feel like a heavy burden has been lifted that I thought I was going to have to carry for a lifetime. Thank you for this life-changing gift.

Record Review Interviews ("Speed Screenings") Free RAP Sheet Review

RAP sheet reviews: one-on-one interviews to determine the next steps toward expungement (clearing criminal convictions).

Sessions are by appointment only. Contact us at expunge@sjsu.edu for a phone or video appointment.

We provide interviews to outline what appears on a client's criminal history report and the client's next steps towards expungement, for California convictions.

Completing legal paperwork for court hearings is beyond the scope of Speed Screening interviews.

All services are free.

Please inform us if a reasonable accommodation for a disability is required.
