We provide interviews to outline what appears on a client's criminal history report and the client's next steps towards expungement, for California convictions.

Completing legal paperwork for court hearings is beyond the scope of record review interviews.

**All services are free.**

Please inform us if a reasonable accommodation for a disability is required.

*Expungement...is a gift not only to the individual, but a gift that affects the person's family and entire community.*

—RCP Client

*I feel like a heavy burden has been lifted that I thought I was going to have to carry for a lifetime. Thank you for this life-changing gift.*
