

# Positive Behavior Support EDSE 279

Fall 2025 Section 01 Hybrid 3 Unit(s) 08/20/2025 to 12/08/2025 Modified 08/19/2025

## Course Information

Course Format: Hybrid

The course will follow a hybrid format meeting every other week in person. Alternate weeks will be online asynchronous with no designated meeting time.

CANVAS Learning Management System

All course materials (announcements, syllabus, handouts, assignment instructions, lecture videos, etc.) will be available on Canvas. You are responsible for regularly checking both Canvas and your SJSU email (the one that ends with "sjsu.edu") to learn of any updates. For help with using Canvas see Canvas Student Resources page ([http://www.sjsu.edu/ecampus/teaching-tools/canvas/student\\_resources](http://www.sjsu.edu/ecampus/teaching-tools/canvas/student_resources)).

## Course Description and Requisites

Examination and application of various approaches and strategies for promoting positive social, emotional, and academic learning experiences for students with and without disabilities. Effective class-wide and individual strategies for students, including the assessment of behaviors, design of formal and informal positive behavior support plans, and the implementation and evaluation of such plans.

Prerequisite(s): Department consent.

Letter Graded

## Program Information

### LCOE Department of Special Education Mission

We prepare candidates to be transformative leaders in the field, and lifelong learners who respond to racism, ableism, bigotry, and prejudice in their schools and communities. To this end, we center anti-racist and anti-ableist policies and practices in our teaching, research, and service to disrupt systemic racism that has historically prevented full inclusion and equity for students with disabilities including our BIPOC (Black, Indigenous, People of Color) students, staff, and faculty. We engage culturally sustaining pedagogies and the principles of UDL in our coursework and fieldwork, partnering with our local districts to push for the success of students with disabilities in inclusive settings.

### LCOE Department of Special Education Program Learning Outcomes

- **PLO 1** Assess and identify the educational needs and strengths of students with disabilities from diverse socioeconomic, cultural and linguistic backgrounds.
- **PLO 2** Critically evaluate pedagogy, curricula and instructional materials grounded in quality indicators of evidence-based practices for students with disabilities.
- **PLO 3** Plan, design, implement, and monitor linguistically and culturally appropriate instruction that meets the unique needs of students with disabilities.
- **PLO 4** Apply knowledge of the purpose, characteristics, and appropriate use of different types of assessments used for special education eligibility, placement, and service selection.
- **PLO 5** Utilize research-based knowledge and theoretical, conceptual and evidence-based practices related to individuals with disabilities to improve services and instruction in the field.

## Course Goals

This course is intended to assist students to meet the competencies specified in the CCTC Teacher Performance Expectations (TPEs) related to supporting positive behavior and classroom management for as specified for the following credentials:

Universal: 1.1 (P), 2.1 (P), 2.3(A), 2.6 (I,P), 6.2(P)

Mild Moderate Support Needs (MM): 1.7(A), 2.5(P), 2.6(A), 2.7(I,P), 4.3(A)

Extensive Support Needs (ESN): 1.4(P/A), 2.8(P), 2.9(P), 2.13(P), and

4.1(P/A) Early Childhood Special Education (ECSE): 1.6(P), 2.4(P), 4.7(P)

Additionally, this course addresses the following program learning outcomes (PLOs):

PLO #1: Assess and identify the educational needs and strengths of students with disabilities from diverse socioeconomic, cultural and linguistic backgrounds.

PLO #4: Apply knowledge of the purpose, characteristics, and appropriate use of different types of assessments used for special education eligibility, placement, and service selection.

## Course Learning Outcomes (CLOs)

In order to address the TPEs and PLOs describe above, the course will address the following course learning outcomes:

1. Design learning environments that promote positive social-emotional and academic learning experiences for all students receiving general and special education, including emergent bilinguals (aka, English learners) and students in diverse socioeconomic environments.
2. Conduct a functional behavioral assessment (FBA) for a student who demonstrates challenging behaviors in a classroom.

3. Develop a positive behavioral intervention support (PBIS) plan collaboratively with an educational team.
4. Demonstrate knowledge about strategies for increasing appropriate behaviors and decreasing inappropriate behaviors; critically evaluate their effectiveness and pitfalls; select appropriate, evidence-based strategies; and implement selected strategies in such a way to maximize their effectiveness in order to enhance the quality of students' schooling and lives.
5. Demonstrate knowledge about various models and strategies for classroom management in general; critically evaluate their effectiveness and pitfalls; select appropriate, evidence-based strategies; and implement selected strategies in such a way to maximize their effectiveness in order to enhance the quality of students' schooling and lives.
6. Plan strategies for addressing social emotional needs of students and for building social relationships among students.
7. Demonstrate knowledge about federal and state laws governing interventions for students who demonstrate challenging behaviors.
8. Identify the components and legal guidelines for the use of emergency procedures for students who demonstrate dangerous behavior.

## Course Requirements and Assignments

---

**Course Assignments:**

**Online Asynchronous Modules** 70 points Students will complete online modules in CANVAS during asynchronous instruction weeks.

**In-Class Participation (8 x 10) 80 points**

Students will complete activities during each in-person session. Students must be present in class to complete and get credit for these assignments.

**Classroom Instructional Plan 20 points**

Students will review three UDL Lesson plans and describe the high-leverage teaching practices they are using and how those choices will have a positive impact on student learning and behavior.

**Classroom Management Plan 50 points**

Students will develop a classroom management plan that includes a daily schedule, a set of classroom expectations, procedures for three classroom routines, a plan for teaching expectations and procedures, and a classroom layout that supports predictable routines.

**FBA Assignment 40 points**

Students will develop a Functional Behavioral Assessment to address a challenging behavior. The FBA Assignment will include 2 forms of indirect data collection, 2 direct data methods one of which must be A-B-C data, an analysis of data, a hypothesis, and a behavior intervention plan with a plan for monitoring the data.

## ✓ Grading Information

The Department of Special Education and California Commission on Teacher Credentialing (CCTC) require that students complete all credential coursework with a grade of B or higher.
