Spring 2026: 01/20/2026 - 05/22/2026

2. All academic employees receive payment for their work on time according to their payroll schedule
3. SJSU adheres to all California and Federal work laws and regulations

NOTES	
Disqualifying Issues	Faculty may not be reappointed if flagged for missing documents or unsatisfactory evaluation. New appointments will not be processed without all required documents—preventing work authorization.
Processing Notes	Late requests—submitted after dates indicated above—may delay faculty or ASE ability to teach/work by the Effective Date. UP processes late requests in the order of receipt with urgency, but may be unable to prevent delays. Refer to the Critical Path to Employment For Prospective Faculty and encourage prospective faculty to complete all steps.
Checklists	Use these checklists to identify required documents for each process: • Checklist for All Temporary Faculty Appointments • Checklist for Academic Student Employee
Special Session	Appointments for Fall 2025 Special Session programs follow these basic procedures. However, all appointments are made using the Faculty Additional Employment Unity Form .
Cancellations	If a class is canceled prior to the third class meeting, the temporary employee shall be paid for the portion of the academic term worked prior to the cancellation. If a class is canceled after the third class meeting, the temporary employee shall either be paid for the remaining portion of the class assignment or provided an alternate work assignment. Reminder: Full-time faculty appointments cannot be conditional in this manner (Unit 3 CBA 12.5-12.6).
