Disqualifying Issues	Faculty may not be reappointed if flagged for missing documents or unsatisfactory evaluation. New appointments will not be processed without all application documents--preventing work authorization steps.
Processing Notes	Late requests—submitted after dates indicated above—may delay faculty or ASE ability to teach/work by the initial Effective Date. UP processes late requests in the order of receipt with urgency, but may be unable to prevent delays.
Checklists	Use these checklists to identify required documents for each process: <ul style="list-style-type: none"> <li>• <a href="#">Checklist for All Temporary Faculty Appointments</a></li> <li>• <a href="#">Checklist for Academic Student Employee</a></li> </ul>
Special Session or SJSU Online	Appointments for Spring 2025 Special Session programs follow these basic procedures. However, all appointments are made using the <a href="#">Faculty Additional Employment Unity Form</a>
Cancellations	If a class is canceled prior to the third class meeting, the temporary employee shall be paid for the portion of the academic term worked prior to the cancellation. If a class is canceled after the third class meeting, the temporary employee shall either be paid for the remaining portion of the class assignment or provided an alternate work assignment. Reminder: Full-time faculty appointments cannot be conditional in this manner (Unit 3 CBA 12.5-12.6).
